

# PETROLEUM PRODUCTS

Our specialties include hose repairs & tagging, testing, and custom drop and vapor hose assemblies. We have dedicated inventory levels of accessory items and different sizes and configurations of drop guns, vapor guns & cam and groove fittings. We also offer premade hose assemblies for standard sizes and lengths. Stuart Hose & Pipe gets your team ready for prime time with the products you really need. **The result? Less maintenance and repair expenses. Find out why the Stuart Standard is a cut above.**
